The bidder, in submitting his bid or proposal, agrees to enter into said contract with the Town of Greenburgh, if he is the successful bidder, for the equipment and/or service in accordance with his bid or proposal.

In the event of failure of the successful bidder to enter into said contract, the certified check shall be retained by the Town as liquidated damages.

The signed bid must be enclosed in a sealed envelope, to be plainly marked, "**BID FOR ATHLETIC SUPPLIES & EQUIPMENT**".

The bidder must submit unit prices on the forms supplied, in the space or spaces provided for same, both in figures and in words. Whenever a unit price in figures differs from the unit price as stated in words, the price written in words will be considered to be the bid.

The bidder must note that the material and/or equipment includes **FOB** delivery to Anthony F. Veteran Park, 11 Olympic Lane, Ardsley, New York 10502 and/or Theodore D. Young Community Center, 32 Manhattan Ave, White Plains, NY 10607.

All bids or proposals must be signed by the bidder.

The bidder is not to take specifications and bidding pages apart, but must return same complete.

The Town of Greenburgh is exempt from payment of all Federal and New York State taxes. Tax exemption certificates will be issued to the successful bidder.

The bidder is to familiarize himself with all provisions of these specifications, and shall not at any time after submitting bid, dispute any of the specifications or assert that there was misunderstanding in regard to the furnishing and delivering of the items called for in this proposal.

No bid will be accepted from, or contract awarded to, a bidder in default upon any obligations to the Town of Greenburgh.

The Town Board reserves the right to select the bid proposal, the acceptance of which will, in their judgement, best secure the material and/or equipment called for in these specifications, or which will be for the best interests of the Town (irrespective of whether it is the low bid, the high bid, or otherwise), or to reject any or all bids. Proposals which are incomplete, conditional, or obscure, or which contain conditions not called for, erasures, alterations, or irregularities of any kind, may be rejected as informal, or may be waived at the discretion of the Town Board if any informality is deemed immaterial and nonprejudicial to the Town of other bidders.

The Town reserves the right to increase or decrease the quantities or amounts specified, in its unlimited discretion, and the bidder waives and releases any claim arising therefrom.

Upon acceptance by the Town Board, this bid, with all attachments, conditions, and specifications, shall constitute a contract between the Town and the supplier.

The bid notice, information for bidders, and specifications, all annexed hereto, are part of this contract.

Bidder must submit with his bid detailed specifications, a sample if requested, and all necessary data on the material and/or equipment he proposes to furnish. If the material and/or equipment offered differs from the minimum provisions contained in this specification, such differences must be explained in detail and bid will receive careful consideration if such deviations do not depart from the intent of this specification and are to the best interests of the Town of Greenburgh, as interpreted by the Town Board.

Bidder guarantees that the material and/or equipment offered is standard new material and/or equipment, latest model or regular stock products with parts regularly used for the type of material and/or equipment offered; that such parts are all in production and none likely to be discontinued; also that no attachment or part has been substituted or applied contrary to manufacturer's standard guarantee against defect in design, materials, or workmanship applied to all material and/or equipment delivered to the Town of Greenburgh.

No name other than the manufacturers shall appear on the material and/or equipment.

The bidder shall comply with all local and state laws, including the Labor and Compensation laws, in the performance of this contract.

The bidder must be authorized to do business within the State of New York and be currently in good standing.

The bidder must certify to the Town that he is current in his payment of all franchise and other taxes due the State of New York.

The bidder must certify that no officer, director, or stockholder (if less than ten (10) stockholders) of the successful bidder is an officer or employee of the Town. If such officer, director, or stockholder does exist, their names and relationship must be disclosed to the Town.

Bidder agrees to the terms of this bid and the submitted prices for one full year from the Town's acceptance of this bid at the bid opening.

Bidder understands that materials that are on this bid list may not be ordered by the Town of Greenburgh. Bidder understands that a purchase order must be issued to the bidder prior to work being done.

Failure of the Contractor to take out and/or to maintain or the taking out and/or maintenance of any required insurance, shall not relieve the Contractor from any liability under the contract, nor shall the insurance requirements be construed to conflict with the obligations of the Contractor.
7. In the event that claims in excess of these amounts are filed by reason of any operations under the contract, the amount of excess of such claims, or any portion thereof, may be withheld from payment due or to become due the Contractor until such time as the Contractor shall furnish such additional security covering such claims.
8. The Contractor agrees to protect, defend, indemnify, and hold the Town of Greenburgh and its officers, employees, and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of action of every kind of character in connection with or arising directly or indirectly out of this agreement and/or the performance hereof. Without limiting the generality of the foregoing, any and all such claims, etc. relating to personal injury, death, damage to property, defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright (or application for any thereof) or of any other tangible or intangible personal or property right, or any actual or alleged violation or any applicable statute, ordinance, administrative order, rule or regulation, or decree or any court, shall be included in the indemnity hereunder. The Contractor further agrees to investigate, handle, respond to, provide defense for and defend any such claims, etc., at his sole expense and agrees to bear all other costs and expenses related thereto, even if it (claims, etc.) is groundless, false, or fraudulent. In any case in which such indemnification would violate Section 5-322.1 of the New York General Obligations Law, or any other applicable legal prohibition, the foregoing provisions concerning indemnification shall not be construed to indemnify the Town of Greenburgh for damage arising out of bodily injury to persons or damage to property caused by or resulting from the sole negligence of the Town of Greenburgh, or its employees.
