

TOWN OF GREENBURGH

PAVING OPERATIONS

Paving in the Town of Greenburgh will start April 9, 2013 and continue as weather permits.

The following streets are scheduled to be paved during the week beginning April 9, 2013:

Maryton Road from Stone Avenue to Lawrence Avenue

Ethelton Road from Stone Avenue to Dead End

We ask for your patience and cooperation while paving operations are conducted. The paving will be performed with as few interruptions to daily traffic as possible, but, please understand, interruptions are unavoidable.

If you have been notified by mail that your street will be paved and your street is not listed above, please check back as tentative schedules will be posted weekly.

If you have any questions, please contact the Bureau of Engineering (914) 993-1583
