

TOWN OF GREENBURGH

PAVING OPERATIONS

Paving in the Town of Greenburgh began April 9, 2013 and will continue as weather permits.

The following streets are scheduled to be paved during the week beginning July 15, 2013:

East Hartsdale Avenue

from Columbia Avenue to Rockledge Road (nearest to the Hartsdale Train Station)

Mercer Avenue from Charlotte Avenue to End

Charlotte Avenue from Caterson Terrace to End

Please do not park on the street(s) above between 7:00am and 5:00pm

We ask for your patience and cooperation while paving operations are conducted. The paving will be performed with as few interruptions to daily traffic as possible, but, please understand, interruptions are unavoidable.

If you have been notified by mail that your street will be paved and your street is not listed above, please check back as tentative schedules will be posted weekly.

If you have any questions, please contact the Bureau of Engineering (914) 993-1583
