

Concerned about Identity Theft?

The

MOBILE Shredder

is coming to Greenburgh

Now you can safely destroy unwanted personal papers and documents!

When & Where:

(Saturday) October 2nd 10am to 2pm
at 177 Hillside Ave., White Plains (Town Hall)

Why shred? Westchester County wants to help protect residents from identity theft. That's why the Mobile Shredder is available to help residents destroy unwanted personal papers and documents with personal identifying information.

Old documents and bills are a gold mine for identity thieves. One of the best ways to minimize the risk of identity theft is to shred all documents no longer in use that have personal identifying information such as name, address, phone number, credit card number or Social Security number. Such documents should be shredded before recycling.

What should you shred? Pre-approved credit card applications, old credit card bills, receipts, bank statements, old tax returns or any other documents containing your name, address and other identifying information.

- The Mobile Shredder is for *residents only*.
- Paper generated by businesses, schools, institutions, government or municipal offices is not accepted at these events. County staff will inspect all paper to be shredded and will reject any paper identified as commercial or institutional.
- Each resident may bring a maximum of 4 file boxes, approximately 10" by 12" by 15" in size.
- All paper must be free of clips, bindings, folders and files.
- No bound or hardcover ledger books are allowed.

For more information about identity theft, call the Dept. of Consumer Protection (914) 995-2155 or visit westchestergov.com/consumer

For question's about recycling, call the Recycling HelpLine at 2-1-1 or visit westchestergov.com/recycling
