

TOWN OF GREENBURGH PAVING OPERATIONS

Paving in the Town of Greenburgh began September 2, 2014 and will continue as weather permits. The following streets are scheduled to be paved during the week beginning September 8, 2014:

Barnwell Drive from Bowbell Road to Pomander Drive

Canterbury Road from Kathwood Road to W. Hartsdale Road

Oak Street from Wood Avenue to Forest Boulevard

Wood Avenue from Forest Boulevard to Oak Street

Taylor Road from Knollwood Road (Rt. 100A) to End

Taylor Road from Grasslands Road (Rt. 100C) to Campbell Place

Campbell Place from Taylor Road to End

Heather Lane from Payne Road to End

Washington Place from North Road to South Road

Adams Place from North Road to South Road

Jefferson Place from North Road to South Road

Madison Place from North Road to South Road

Monroe Place from North Road to South Road

Maple Avenue from Benedict Avenue to Old White Plains Road

Spring Street from Old White Plains Road to End

SATURDAY WORK IS ANTICIPATED

Please do not park on the street(s) above between 7:00am and 5:00pm

We ask for your patience and cooperation while paving operations are conducted. The paving will be performed with as few interruptions to daily traffic as possible, but, please understand, interruptions are unavoidable.

If you have been notified by mail that your street will be paved and your street is not listed above, please check back as tentative schedules will be posted weekly.

If you have any questions, please contact the Bureau of Engineering (914) 993-1583
