**2016 ANNUAL BID FOR  
PAVEMENT MARKINGS MATERIAL**

**TOWN OF GREENBURGH  
DEPARTMENT OF PUBLIC WORKS**

**INSTRUCTIONS TO BIDDERS**

All bids submitted shall be exclusive of any sales, excise or other taxes, for delivery to a tax exempt municipality. Bids shall be valid for all orders placed during the calendar year. Where a firm price cannot be held for the year, a ninety (90) day bid should be submitted and clearly noted on the bid for the item.

The Town of Greenburgh reserves the right to purchase the same or similar materials from the State of New York Office of General Services at the current New York State Bid Price for any of the items bid within this contract, without notice to the vendor awarded the Town bid if it is deemed appropriate and in the best interests of the Town by the Town's Commissioner of Public Works and the bidder shall have no recourse to the Town for any lost profit resulting from this action.

All bids are to be submitted in strict conformance with the itemized specifications and for delivery within the time limit as stated for the specified time.

All suppliers submitting bids on items in non-conformance with the specifications or delivery time as stated must submit them on separate sheets of paper, clearly stating the variance between their bid and the specifications. The Town reserves the right to reject any item bid not in compliance with the specifications.

Mileage at the rate of fifty (50) cents per mile per truck load from the Department of Public Works Garage to the FOB point will be added to all bids should the Town use its own truck for pick-up of material. This cumulative amount will be considered in determining the low bidder for award of contract.

Whenever a delivery time in days is specified herein, it shall be assumed to refer to the number of consecutive calendar days from receipt of order. In the event of delay in delivery for whatever reason, whether it be due to the bidder's action or otherwise, the successful bidder agrees to have the amount of ten dollars (\$10.00) deducted for each material each and every calendar day that delivery is so delayed. This deduction is to be considered not as a penalty, but as liquidated damages which the Town will suffer by reason of such delay or default.

Additional information on any of the items as given in the detailed specifications may be secured from the office of the Commissioner of Public Works.

All items which refer to the New York State Bid Specifications are based on the September 1, 2015 Specification Book printing and any addendum thereof.

All items bid upon are new unless otherwise specified.

**2016 ANNUAL BID FOR  
PAVEMENT MARKINGS MATERIAL**

**TOWN OF GREENBURGH  
DEPARTMENT OF PUBLIC WORKS**

All material supplied shall conform to the standard specifications of the New York State Department of Transportation, the Manual on Uniform Traffic Control Devices, as well as all applicable ASTM and Federal Specifications.

A bidder certifies, by submitting a bid, that the business is current in the payment of all franchise and other taxes due the State of New York.

Bidder further certifies that no officer, director or stockholder (if less than 10 stockholders) of the bidder is an officer or employee of the Town or a relative of any such Town officer or employee. If such officer, director or stockholder does exist, their names and relationships should be disclosed to the Town.

The successful bidder must provide the Town with a certificate issued by the Secretary of the State that the Corporation is duly authorized to do business within the State of New York and is presently in good standing. If the entity to whom the bid is awarded is not a corporation, it would be required that the entity's certificate of doing business, which should be on file in the County Clerk's Office, be provided. (This would also hold true in the case of joint ventures, which would be required to disclose the underlying entities which make up the joint venture and to supply the requisite certificate of doing business of each such entity.)

Yearly quantities where listed, are only an estimate, not a guarantee of quantity to be purchased. An award may be made by individual item, or on all items as a whole, whichever is determined to serve the best interests of the Town.
