

**TOWN OF GREENBURGH 2023-2024 PILOT PROGRAM APPLICATION**  
**FOR OVERNIGHT (1AM-6AM) SNOW PARKING HARDSHIP EXEMPTION**

The Town Board, in concert with the Police Department and the Department of Public Works, is piloting another season (December 1, 2023 – March 15, 2024) overnight snow parking hardship exemption issued by the Chief of Police for public streets in the unincorporated area of the Town of Greenburgh other than those streets listed in Sections 460-20.1 (East Hartsdale Avenue and metered parking spaces on Columbia Avenue) which have snow parking requirements specific to that area. Unless a hardship exemption is granted, the issued permit is properly displayed on the vehicle and the exemption is still in force, the regulations in the Code of the Town of Greenburgh Section 460-20, “Snow Parking,” shall continue to apply.

**PLEASE TAKE NOTE:** The granting of a “hardship exemption” is not automatic and you must qualify for the exemption before a revocable Overnight Parking Permit is granted. This application, the supporting materials, and data available will be carefully reviewed by the Greenburgh Police Department before a decision will be reached. Display of a forged or revoked permit will be prosecuted.

**CAUTION:** Applicants are reminded that they must comply with all statutes, laws, regulations and rules for the registration, inspection and operation of motor vehicles in this state, including NYS Vehicle and Traffic Law Section 250(1) providing a 30-day time frame for registration of vehicles by individuals who become NYS residents and Section 401(3) establishing a 10-day requirement for vehicle owners to provide change of address notification to the Department of Motor Vehicles.

I am a resident of the premises and no driveway or parking area is available (free or for rent) on the premises and there is no area on the premise where a driveway or parking area can be provided or constructed by the owner.

A driveway or parking area exists on the premises, but due to the number of vehicles entitled to park on the premises, there is no room to park the Applicant's vehicle and there is no area on the premises where additional parking can be provided or constructed by the owner.

The Applicant is physically handicapped and possesses either a "handicapped parking permit" authorized by law or the vehicle displays "handicapped" license plates and the Applicant's handicap prevents her/him from walking from a designated off street parking area to the premises.

The Applicant is required, in writing, by her/his employer to have a company vehicle and there is no off street parking provided or available for such vehicle on the premises (attach signed copy of employer's letter).

The Applicant is a temporary occupant due to status as \_\_\_\_\_ (e.g., student, employee, multiple residences, etc.) and parking is not available on the premises (free or for rent) and/or there are already vehicles parking on the premises leaving no room for Applicant's vehicle. (Attach proof of temporary status such as proof of alternate residence, letter from employer or school.)

The Applicant's vehicle, by virtue of her/his trade, employment or special training, (i.e., emergency responder or life support, i.e., police, fire, ambulance, EMT, nurse, doctor, etc.) must have immediate access to the public highways and no such access exists on the premises. This does not include vehicles commercially registered or primarily used for commercial purposes and is subject to the site inspection.

## **TOWN OF GREENBURGH DECEMBER 1, 2023– MARCH 15, 2024 SNOW PARKING HARDSHIP EXEMPTION PILOT PROGRAM INSTRUCTIONS**

1. The Applicant must be the owner (or lessee)/operator of the vehicle for which the exemption is requested. Complete the entire application leaving NO ANSWERS BLANK. Applications that are incomplete, or missing documentation or the application fee, are subject to rejection and will not be processed. Return the application and supporting materials by mail or in person to the Greenburgh Police Department, 188 Tarrytown Road (P.O. White Plains, NY 10607), Attn: Snow Parking Exemption, where it will be circulated for review and processing. Include with your application:
  - a. A copy of a valid vehicle registration for the vehicle (not a photo of the vehicle's window-affixed sticker) that needs to be parked on the street between 1:00 a.m. and 6:00 a.m.;
  - b. A copy of your valid driver's license; the Town reserves to right to request additional or alternate documentation if needed to render a determination of eligibility; and
  - c. A non-refundable application fee of \$25.00. This is not a parking fee. It is collected to offset the expenses associated with the review and processing of this application. Make your check or money order payable to: "Town of Greenburgh." Cash accepted in person only. Do not mail cash.
2. A vehicle owner (lessee)/operator may use one application to apply for more than one (1) vehicle at the same address for which there is inadequate off-street parking. If you are applying for more than one vehicle at the same address, the fee for the first vehicle is \$25.00, and \$25.00 for each additional vehicle.
3. Any outstanding/unpaid parking fines and penalties must be paid in full prior to submitting the application. If any unpaid fines are under judicial review, please indicate so on your application.
4. At a minimum, the application will be reviewed by the Town of Greenburgh Police checking validity of the driver's license, vehicle registration, outstanding fines and inspecting the property regarding the adequacy of off-street parking / need for the hardship exemption.
5. The Applicant and the property owner (if different) must certify and sign the application where required. If you are a resident of an apartment or condominium complex, you must obtain and provide a signed letter (with a current date) from the management company confirming there is no parking available, either paid or free, for your vehicle. If you are a student, part-time resident, temporary assignment employee or other, needing the exemption, please attach appropriate documents as evidence indicating this status.
6. You must adhere to all parking rules and regulations. Remember that there is no parking on any street in the unincorporated area of the Town of Greenburgh between the hours of 1:00 a.m. and 6:00 a.m., except as provided in the Code of the Town of Greenburgh Section 460-20.1, without having first obtained a Snow Parking Hardship Exemption. It is your responsibility to ensure that you park your vehicle on the street lawfully.
7. The Snow Parking Hardship Exemption is not granted automatically upon submission of an application. The Hardship Exemption is not a right, but rather a privilege. A decision is reached on each application individually after a complete review of the application, including confirmation of the validity of your motor vehicle documentation, an inspection of the property in question, etc.

**ATTENTION: THE VEHICLE OWNER IS RESPONSIBLE FOR RESPONDING TO ALL SUMMONSES ISSUED. Do not ignore a summons issued to your vehicle. If you receive a summons for any reason, such as parking in an improper area, parking on the wrong side of the street, or any other violation, follow the instructions printed on the ticket. If it is solely a snow parking related summons and you had a valid Overnight Parking Permit properly displayed, also follow the directions in 7 above.**

8. Snow Parking Hardship Exemptions (Overnight Parking Permits) are specific to the vehicles having the registration numbers and address (with inadequate off-street parking) indicated on your application ONLY. They are NOT transferable.
9. The Overnight Parking Permit must be prominently displayed hanging from the rear view mirror of the recipient's vehicle while parked overnight.
10. Snow Parking Hardship Exemptions (Overnight Parking Permits) only apply to overnight parking only (1am-6am). They do not apply to daytime snow parking restrictions listed in the Code of the Town of Greenburgh Section 460-64, "Schedule XV: Snow Parking".

\*\*It is the responsibility of the recipient to remove the permit from the rear view mirror prior to driving in accordance with NYS Vehicle and Traffic Laws\*\*

**ATTENTION: The Town and its agents are not responsible for damage caused to vehicles that result from the lawful operation of snow removal equipment. Ensure vehicles are off the street when a snow emergency is declared.**

If you have any questions, please do not hesitate to contact the Greenburgh Police Department's Non-Emergency Number, 914-989-1700.
