

Q1 We're finalizing our 2020 sanitation calendar this week and want your input. In 2019 we expanded recycling –weekly pickup of both commingled and paper. For the south end of the town garbage is picked up on Monday and Thursday. For the north end of the town garbage is picked up on Tuesday's and Friday. During holidays we don't pick up garbage on the day the holiday falls on. This leaves you with three options. We would like to know which you would prefer?

ANSWER CHOICES	RESPONSES
The Commissioner of Public Works met with the Town Board and discussed the possibility of changing the calendar next year. If a holiday falls on a Monday garbage would be picked up in the south section of town on Tuesday and Thursday. In the northern section of town garbage would be picked up on Wednesday and Friday. There would be no comingled recycling pickup only on holiday weeks. THIS ONLY APPLIES TO HOLIDAY WEEKS.	46.85% 253
Rotate the calendar. One year Monday pickups for the south section. Tuesday for the north section. The next year—do the opposite. This way every section of town would get the same service on alternate years.	6.11% 33
Switching anything would be too confusing, please keep sanitation schedule as is	47.04% 254
