*From an Apple Orchard to The
Olympics: The Saint Andrew's Golf
Club*

By: Riley Wentzler & Felicia Barber

Saint Andrew's Golf Club was founded in November of 1888 in Yonkers by a Scottish immigrant, John Reid, and four friends: Henry O. Tallmadge, Harry Holbrook, John B. Upham, and Kingman Putnam (https://www.saintandrewsgolfclub.com/Club_Info/History). The clubs used by the founders were provided by another Scottish immigrant who was John Reid's childhood friend. His name was Robert Lockhart. Mr. Lockhart had bought them in a local shop in Scotland when he returned to visit family for Christmas. The course is named Saint Andrew's because of its deep connection to Scotland. Saint Andrew is the Patron Saint of Scotland, thus reflecting this deep connection (<https://theappletreegang.wordpress.com/2011/05/05/the-beginning-of-american-golf/>). It was originally only a six-hole course. It moved from its original location at Reid's house to 626 Palisade Ave, Yonkers in 1892. Its new home was in the middle of an apple orchard, so from then on the members became known as "The Old Apple Tree Gang" (Personal Communication from Saint Andrew's Club Historian Bruce Clark). In 1897, it moved to an 18-hole course on Mount Hope in Greenburgh near the Village of Hastings on Hudson, where it continues today. In 1900, Saint Andrew's member Charles E. Sands won the men's first Olympic golf competition at the Paris Olympic Games, making him the first, and America's only, Men's Olympic Golf Champion. (Personal Communication from Saint Andrew's Club Historian Bruce Clark).

For golf enthusiasts who would like more information about the club's fascinating history, most of which is in Yonkers (such as how it played an instrumental role in the founding of the USGA), please contact the club's historian, Bruce Clark, at clarkb@sullcrom.com.

About the Authors:

We are both Assistant Town Historians at Greenburgh Town Hall and we are engaged to be married and are currently looking for permanent employment.

Riley Wentzler:

I was born and raised in a small rural town in central Pennsylvania. In high school, I took every honors course available including four years of Spanish. I received A's in all of them. I graduated third in my class of 146 students. This brought me to Edinboro University of Pennsylvania. Once there, I continued my trend of academic excellence. I graduated summa cum laude in Political Science with a minor in Spanish and a Master's in Communication Studies, with a G.P.A. of 3.94. It was also there that I met my lovely fiancée, Felicia Barber. My Master's in Communication has promoted public speaking, teamwork, and customer service. My Political Science degree has developed my research skills using computer-based tools and provided me with experience using the Microsoft Office products. My minor in Spanish has facilitated my bilingual capabilities. During my internship at Greenburgh, I created the petition for the State Roads project using website tools. My diverse education and areas of interest have provided me with a wide range of skills. I look forward to finding a career opportunity in business or government. **To suggest a topic for next week's article, you can contact me at assistanthistorian@greenburghny.com, or to help me find employment, you can contact me at rjwentzler413@gmail.com**

Felicia Barber:

I was born in New York City and raised in Hartsdale, New York. I graduated from Ardsley High School. I recently earned a Bachelor of Fine Arts degree in Graphic Design at Edinboro University of Pennsylvania. It was here that I met my fiancé, Riley Wentzler. As a result of my academic excellence, I won a scholarship every year. I learned and applied many graphic design skills to projects during my summer internships and at school. I am proficient in using Adobe graphic design applications including Photoshop, Illustrator and InDesign. For my Identity/branding course at Edinboro, I created logos to appear on the tee-shirts of Physical Education majors. For a veteran's upcoming event, I used a typeface to focus the reader to the soldier in the poster. For the State Roads Legislative Campaign project, I created the embedded graphic-photo that accompanied the petition I am looking for a job to utilize my skills as a Graphic Designer in an agency, print shop, company or government **To suggest a topic for next week's article, you can contact me at assistanthistorian@greenburghny.com.
