

La Manda's Restaurant is trying to stay open to keep our people working. As of right now we are still seven days a week but that might change in order to curb some costs. I am editing our voicemail at the restaurant to keep current with what is going on.

Our phone number is 914-684-9228. We are doing curbside pick up and asking our customers not to come inside. As of right now we are offering most of our menu. We are offering a 10% discount on food. We have also discounted beer, bottles of wine and bottles of booze.

All of our current info is on our Facebook group: La Manda's Restaurant
