TO THE APPLICANT: You have the right to appeal a denial of this application to the Town Board. Should you decide to appeal, you must do so within thirty (30) days of the denial. You may submit a statement with your appeal explaining why you feel that the decision should be overturned. You may also attach supporting documentation. Denial of access to a record maintained by the agency or failure by an agency to respond to a request within the time limits established in Section 89(3) of FOIL are the two situations that give rise to the right to file an administrative appeal. A statement by an agency that it does not possess a record or that the record cannot be found after a diligent search is not a denial of access. You may request that this response is "Certified" by the individual whom the Town Clerk believes is in the best position to provide it. "Access" relates to situations in which an agency possesses a record but is not allowing the requestor to inspect or copy the record in whole or in part.
